Severity:	Major			

Description

Steps to reproduce :

1. Enter username with 15 characters into the "Username" field.
2. Fill all fields with correct data.

Expected result :

Appears a message for successful registration : "Thank you! You`re successfully registered. Please login to continue." The user is registered into the application and is redirected to login page

Actual Result :
Appears a message for unsuccessful registration : "Username is too long"

version : 1.0.3
